

Procedures for Verification of World Records

World Records must be established in accordance with the ISSF General Regulations 3.10, and applicable rules for the shooting discipline.

World Records become valid when competition results are final and the ISSF Technical Delegate or ISSF Secretary General confirms that the competition was conducted according to **ISSF Rules and Regulations** and that a valid World Record was equaled or exceeded in accordance with these requirements.

The official list of valid World Records is published by ISSF Headquarters on the ISSF website. World Record certificates are issued by the ISSF Secretary General.

Technical Delegates should use this form to report World Records for verification by the Technical Committee in accordance with the **ISSF General Regulations**, 3.10.4
